About Harvest Baptist Church

Harvest Baptist Church is strictly a church and not a corporation. This is because churches that incorporate themselves, under U.S. corporate law, have voluntarily given up their 1st Amendment rights to Freedom of Speech and Freedom of Religion. Consequently, we have no 501(c)(3) status and we do not give tax receipts for donations. We can accept donations only by cash, or else by a check written directly to an individual and not to the church (donation box is located in back of the auditorium). We firmly believe that a Christian should pay his taxes and should render unto Caesar what is Caesar's and unto God what is God's (Mark 12:14-17). Because we are unincorporated, our church constitution is simply - the King James Bible.

Bible Verse for the Day.

"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." (II Timothy 2:2)

It is no secret that the universities of America have gone the way of their European predecessors. They have become bastions of atheism, humanism and hedonism even as they have degraded capitalism, the free enterprise system and the American system of constitutional government. But that has not always been the case. Not so very long ago, it was quite different. Willam Lyon Phelps, professor of English literature at Yale University from 1892-1933 said, "I thoroughly believe in a university education for both men and women, but I believe a knowledge of the Bible without a college course is more valuable than a college course without the Bible." That was less than 100 years ago. Do you think he would be welcome at Yale today? We must keep sounding the alarm lest the current generation of professors destroy our young people and our nation. – Sword Press Service
