## About Harvest Baptist Church

Harvest Baptist Church is strictly a church and not a corporation. This is because churches that incorporate themselves, under U.S. corporate law, have voluntarily given up their 1st Amendment rights to Freedom of Speech and Freedom of Religion. Consequently, we have no 501(c)(3) status and we do not give tax receipts for donations. We can accept donations only by cash, or else by a check written directly to an individual and not to the church (donation box is located in back of the auditorium). We firmly believe that a Christian should pay his taxes and should render unto Caesar what is Caesar's and unto God what is God's (Mark 12:14-17). Because we are unincorporated, our church constitution is simply - the King James Bible.
